

The Coronavirus Aid, Relief, and Economic Security (CARES) Act allocated \$350 billion to help small businesses keep workers employed amid the pandemic and economic downturn. Known as the Paycheck Protection Program, the initiative provides 100% federally guaranteed loans to small businesses. Importantly, these loans may be forgiven if borrowers maintain their payrolls during the crisis or restore their payrolls afterward.

Updates are being sent out almost daily. As your Chamber of Commerce we are diligent to provide the most up to date information possible. Please check back regularly, as we update this page (and others) as new information is provided to us.

For the Paycheck Protection Program, here are some great resources:
